

Join us for a fun way to connect with God and each other this summer! Take on the Family Life Encounter Summer Challenge!

In this Choose Your Own Adventure style challenge, you can decide which path you take through the challenges consisting of fun activities and spiritual reading. Start in the upper left corner, marking off each challenge as completed, and when you get to the arrows, choose the direction you'd like to go. Continue in this way until you get to the center box that says, Challenge Completed!

We encourage you to do as many of the challenges as you can with your family or friends. If you are on a path that includes a challenge that would preclude you from finishing the challenge, feel free to substitute a similar challenge. For example, if it says to visit Historic Adventist Village, and you are unable to get there, you could read about it online or read about James and Ellen White's time in Battle Creek.

When you have completed the Summer Challenge, turn it in at the Pioneer reception desk for a chance to win one of three prizes! The last day to submit your challenge will be Sabbath, August 17. Prizes will be drawn and winners will be informed the week of August 18.

If you have any questions, please contact [simplestirrings@yahoo.com](mailto:simplestirrings@yahoo.com).

Looking for inspiration for what to read? Check out these options below:

- Steps to Christ, Ellen G. White
