THIS **GENERATION**

CONNECT·GROW·SERVE·GO

Ready for a hope-filled adventure this fall?

Welcome to a new opportunity to follow in Jesus' footsteps. After all, a GROW Group is GOD REACHING OUT WIDELY, through you and me, as agents of hope who make friends in His Name. Where do we start? Prayerfully thumb through this listing and find a group that inspires you or you feel called to join.

What next? Show up. Meet people. This semester is particularly special because of yet another option to build community with each other and our neighbors; Hope Trending Watch Parties. Visit [**www.hopetrending.org**](http://www.hopetrending.org) to be part of a Watch Party between October 15 to 22. When Hope Trending ends, restart together weekly. When the semester is over, consider joining something new, or facilitate your own GROW Group.

What are we waiting for? Let's CONNECT. Let's GROW. Let's SERVE. Let's GO. Say "yes" to a God-sized adventure with Him and one another.

Sharing His “Life Together”

Dietrich Bonhoeffer, in his potent little book *Life Together*, observes: “The physical presence of other Christians is a source of incomparable joy and strength to the believer” (19). What you now hold in your hands is an opportunity for you to experience that “incomparable joy and strength,” even if you don’t consider yourself a “believer” quite yet. Truth is, we’re wired to need each other. And GROW Groups are a rewarding way to fill that need, no matter your age.

So thumb through this catalogue. Connect with an interest, a theme, an activity that you’d enjoy. Sign up. And show up. It’s that simple.

And in the process you’ll discover why Jesus was so big on “life together”—He lived, ate, slept, conversed, and traveled with a band of men and a group of women. Because God loves community. So I hope you’ll join us in following Jesus and sharing His “life together” this new season.
