# Grow Groups

MAKE NEW FRIENDS.  
SHARE A PASSION.  
GROW IN YOUR FAITH.

I'm excited to introduce you to the Spring 2021 Grow Group Catalog. Inside this catalog you'll find over 35 different groups geared for all kinds of people. If you're a student on this campus, Grow Groups are for you! We're honored to partner with the Center for Faith Engagement and the Andrews University Student Association to bring these groups to as many students as possible. If you're a member of this community, Grow Groups are for you as well! We have groups for families and children, and all kinds of people and passions. I do want to remind you of some of the features of this catalog. First, we've specifically added two categories. One is called "Student-Led." These are groups that are led by one of our students on this campus or community. The other category is "For Students." These kinds of groups are not necessarily led by students, but are made to meet the needs of students in some way.

I invite you to take some time to go through this catalog and see if there's a group that interests you. When you're ready, head over to page 5 to discover all the easy ways you can join a group.

I'm very grateful for Brianna Martin, the Grow Groups Coordinator for Pioneer. She's the one that makes this Grow group engine run. If there's anything either of us can do for you, please feel free to reach out at [growgroups@pmchurch.org](mailto:growgroups@pmchurch.org).

Finally, the Grow Group spring season will begin the week of February 9 and run through the week of April 27. May God bless you as we start this new season together.

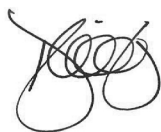

Warmly,

Rodlie Ortiz

What a perfect way to beat the winter blahs! So thumb through this menu, sign up for a couple new groups, and let this be the best New Year of your life. One thing’s for sure—we’re all going to grow: “Grow in the grace and knowledge of our Lord and Savior Jesus Christ” (2 Peter 3:18). So why not grow closer together!
